

MOTORING OFFENCES PRICE LIST

As part of our professional obligations we are required to publish transparent pricing in the area of law which we deal with. These figures may however vary in cases with particular complexities. That is why we will always give you a cost estimate based on your individual transaction that takes into account the actual features of your transaction. Of course, if any unexpected complications arise that have an impact on our fees, we would immediately inform you of this and would discuss with you the potential consequences before you incur any extra fees.
